

Agro-Ecological Investment Management

Agro-Ecological has been awarded 5 stars (the highest rating available) for Environmental Performance and is now a GIIRS Pioneer. GIIRS ratings are comprehensive, verified and comparable across sector.

Agro-Ecological recognises the importance of being transparent in our social and environmental performance and we support the creation of comparable and verified third-party standards.

Being a GIIRS Pioneer makes us one of the first companies to receive a rating using this innovative impact measurement system.
